Evergreen Conference Center Oakhurst

Evergreen Conference Center, Oakhurst (ECCO) is located 12 miles from the south entrance to Yosemite National Park and an hour north of Fresno. At 3,000 feet elevation, ECCO is high enough to escape the valley fog, yet low enough to enjoy a dusting of snow in the winter, along with a colorful four-season climate. Forested with oak, incense cedar, Manzanita, and Ponderosa, ECCO offers hiking and nature trails, or just a quiet place to sit, enjoying the beauty of the natural surroundings.

Established in 1982, ECCO is a center for renewal and beauty, where education, growth, service and prayer come together for the glory of God.

We are excited to be returning to Evergreen Conference Center. Last year we really felt like we were getting away from it all as we pulled into the parking lot and received our room assignments. The mountain air, tall trees, cabins, good food and fellowship allowed us to quickly find a place of rest. You won't want to miss joining us this year!

Evergreen Conference Center will only accommodate 138 of us so you'll want to Register early to get the type of room you most desire.
